Important Notice from Daryl Thomason Trucking About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Daryl Thomason Trucking and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are three important things you need to know about your current coverage and Medicare's prescription drug coverage:

- 1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
- 2. Daryl Thomason Trucking has determined that the prescription drug coverage offered by the Daryl Thomason Trucking Employee Group Health Plan, on average for all plan participants, NOT expected to pay out as much as standard Medicare prescription drug coverage pays. Therefore, your coverage is considered <u>Non-Creditable Creditable Coverage. This is important because, most likely, you will get more help with your drug cost if you join a Medicare drug plan, than if you only have prescription drug coverage from the Daryl Thomason Trucking Employee Group Health Plan. This is also important because it may mean that you may pay a higher premium (a penalty) if you do not join a Medicare drug plan when you first become eligible.</u>
- 3. You can keep your current coverage from the Daryl Thomason Trucking Employee Group Health Plan. However, because your coverage is non-creditable, you have decisions to make about Medicare prescription drug coverage that may affect how much you pay for that coverage, depending on if and when you join a drug plan. When you make your decision, you should compare your current coverage, including what drugs are covered, with the coverage and the cost of the plans offering Medicare prescription drug coverage in your area. Read this notice carefully – it explains your options.

However, if you decide to drop your current coverage with Daryl Thomason Trucking since it is employer sponsored group coverage, you will be eligible for a two (2) month Special Enrollment Period (SEP) to a Medicare drug plan; however you also may pay a higher premium (a penalty) because you did not have creditable coverage under the Daryl Thomason Trucking Employee Group Health Plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from **October 15th through December 7th**.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

Since the coverage under the Daryl Thomason Trucking Employee Group Health Plan, is not creditable, depending on how long you go without creditable prescription drug coverage you may pay a penalty to join a Medicare drug plan. Starting with the end of the last month that you were first eligible to join a Medicare drug plan but didn't join, if you go 63 continuous days or longer without prescription drug coverage that's creditable, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium (penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Daryl Thomason Trucking coverage will be affected.

If you do decide to join a Medicare drug plan and drop your current Daryl Thomason Trucking coverage, be aware that you and your dependents will not be able to get this coverage back until the next Open Enrollment period provided eligibility requirements are met.
